EDAA Dental Assistants Week Celebrations
March 10, 2018
9:00 am – 2:30 pm

SCHEDULE OF EVENTS

- 9:00 AM March General Meeting with refreshments to follow
- 10:00 AM Canadian Dental Assistants Association presentation “National Initiatives”
CCP Links incl: I-6-1, I-8-1, I-8-4
- 10:30 AM *“Maintaining Your Work Life Balance”*
Presented by Jennifer Pollard, BHSc CTE—Prevention Consultant AHS

How does maintaining a sense of positive mental health help enhance our ability to enjoy life and deal with challenges we may face? Jennifer has been a member of the Professional and Community Capacity Building team in Alberta Health Services since 2008, working within the Edmonton Zone. Within that role she provides training and support to community groups, organizations and professionals from a variety of settings to increase their capacity to best support their clients and themselves in the areas of mental health, tobacco reduction, preventing harmful alcohol and substance use and harm reduction. In this presentation, Jennifer will help us to become more familiar with approaches that enhance our sense of positive mental health and foster mental and emotional wellness both in our personal life and in our work.

- 11:30 AM Stretch Break
- 11:45 AM *“An Introduction to Medical Cannabis for Dental Professionals”*
Presented by Mark Lindal and Chantal Lacroix

In Canada, July 1, 2018 marks the day that sales of recreational Cannabis become legal for adults in our country. However, in Canada medical cannabis has been prescribed for some time now to patients who are good candidates for use of this treatment. Mark is a Medical Outreach Educator with Canadian Cannabis Clinics. He specializes in educating medical professionals, patients and the general public about medical cannabis – its uses, strains and licensed producers available in Canada. This presentation will include topics such as: the difference between THC and CBD cannabinoids; what ailments cannabis is commonly used to treat; current law with respect to medical cannabis; and delivery methods for cannabis treatment. Mark and Chantal will also have demonstration materials available for you to view.
